

Tropical Shrub

INGREDIENTS:

- 2 cups of D'Olivo Peach White Balsamic Vinegar
- 1 cup of fresh strawberries roughly chopped- smashed

For Serving:

- 1 cup of fresh strawberries sliced
- 1 lemon thinly sliced
- Fresh mint leaves
- 8 cups of chilled sparkling water or seltzer water

DIRECTIONS:

In a 1 liter mason jar or container, add the cup of smashed strawberries, pour in Peach White Balsamic, cover, and refrigerate for at least an hour or up to four hours. The longer it sits, the more pronounced the flavor of the infused fruit will be.

Strain and keep in a tightly sealed container and refrigerated up to two months.

To serve, add 1-2 tablespoons of shrub for every 8oz of chilled sparkling water or seltzer water. Add fresh fruit, lemon and mint. Serve chilled over ice.
