Description

A medium olive oil comes from a combination of olives harvested in both the early and mid-stages of harvest. These oils offer a fruity taste, a grassy scent, and a peppery or spicy finish.

Medium D'Olivo Ultra Premium Extra virgin Olive Oils are fantastic on roasted vegetables and in vinaigrettes, make delicious bread dipping oils, and work nicely on any greens, from mild butter lettuce to peppery arugula.

Year round, we get the latest Ultra-Premium Extra-Virgin Olive Oils from quality growers all over the world. Because we are always getting fresh stock, the olive oil varieties we have on hand change regularly. If you'd like to know which varieties we have in stock, please give us a call at **509.888.7380** OR you may simply choose whether you'd prefer a Mild, Medium, or Robust oil, and one of our Olive Oil Experts will select a delicious variety for you.
